

## **2025-2026 Ballet Company Packet**

*Congratulations to your dancer for making Company at Twin Cities Ballet. Dancing in the Twin Cities Ballet Company under the direction of Miss Eka is both a privilege and a wonderful opportunity. Company dancers often form close friendships that last throughout their years in ballet; they also provide support and encouragement for each other as their skills grow with purposeful and rigorous practice. Their growth across the year is always tremendous.*

*While some dancers' families have experience with dance and ballet, many do not. We've written out some of the expectations below in hopes of helping new families get a sense of the arc of a year in the Twin Cities Ballet Company.*
