## Studio News:

- Nutcracker Help Needed... We are in need of help at Braden during Saturday and Sunday's performances. We need help at the memorabilia table during Saturday and Sunday performances. We will not be able to set the tables to offer memorabilia sales, flower sales, or raffles without help running the tables. Also, we need help at the DVD table backstage. Braden requires us to provide someone to sit at this table for security purposes. Please consider helping if you are not watching the performance one of the two days, it's a great way to fulfill those company volunteer hours. Anyone can help! If you are interested please see the Tech Week sign-up genius <https://www.signupgenius.com/go/10c054ba4aa2ea6f58-nutcracker>.
- In the spirit of the Holiday season, this year's Claras (Katie Steidinger and Kenzie Winter) will be making a charitable donation to the Baby Fold on behalf of the Twin Cities School of Dance and the cast of The Nutcracker. The Claras wish all of the cast and crew good luck on our upcoming performance! Happy Nutcracker!
